

MASTERING VOTER CONTACT

Join us in discussing the “why” behind citizen contact. For every 100 voters mobilized in a given election, only 33 are likely to turn out for the next election without needing additional contact. In this training we'll cover the importance of door knocking, phone-banking and other voter contact methods.

September 23rd

6:00 - 8:00 PM

AFP-WI La Crosse Field Office
427 Main St.
La Crosse, WI
54601
